OUR APPROACH

As a CIC client, we'll provide you a consultated sales approach with industry experts and state-of-the-art software to ensure your credit reports and needs are met efficiently and accurately while maintaining Federal & State regulations and company guidelines. CIC Credit's service team gives you step-by-step guidance from the setup through the entire process and results.

CIC has special programs and technology in place to help clients stay compliant with industry regulations, EEOC guidelines, FCRA, FACTA Act, SAFE Act, DOT Regulations, GSE's Regulations, and Sarbanes-Oxley Act.
