

NACM Secured Transaction Services'

LIEN NAVIGATOR

Guiding professionals through State Statute requirements & deadlines

A MUST-HAVE GUIDE FOR ALL BUSINESS CREDIT CONSTRUCTION PROFESSIONALS

What do I have to do? When do I have to do it?

The **STS Lien Navigator** has the answers and will guide you through the entire process!

You can rely on the *Navigator* to determine when and how action needs to be taken to protect lien rights across the 50 states, DC and Canada. The real-time *Navigator* ensures that you'll always have the current information. The *Navigator* is a web-based service, accessed through the STS website, and includes access to the STS Construction Academy.
