CIC SCREENING

*A trusted leader since 1921*

CIC has been a trusted leader in the credit screening & reporting business since 1921 and has over 100 years combined credit related experience. CIC Screening offers several services to help clients ensure that their applicants are truthful on their resume, applications, and during interviews by obtaining current, accurate data and verifying the information given. Whether it's by identity services, criminal records or verifications; CIC Screening will provide you the information you need to make an informed hiring decision while meeting FCRA and industry regulations. Our goal is to bring you outstanding quality of service while helping to mitigate your risk and maintain compliance.

## Simple, Powerful Background Screening

- Continuously evolving screening tools
- Customizable & secure cloud-based technology
- Available integrations into your preferred ATS
- Outstanding customer service

## Technology

CIC Screening's cutting edge technology will never get stale. Our enhancements to clients are done on an almost quarterly basis. Clients rave about CIC Screening's Applicant Portal because it reduces data entry, gain efficiencies and gives greater protection against discrimination concerns

Re-Check Tool makes ordering annual or quarterly re-screening by job position on 10 or 100's of employees uncomplicated. Our software platform is easy to integrate with to your proprietary system or another ATS.

## CIC Screening services are designed to provide:

- Real-time reporting direct from the source with fast turnaround times
- FCRA, state and industry compliant reporting
- Misdemeanor convictions and felony convictions confirmed by two or more identifiers
- Enhanced criminal databases with more sources than most other companies
- Keeping you informed with status detail notes per service and per profile
